Southern Kennebec Healthy Start is a group of organizations/individuals who have been working together for over a decade to improve the social emotional health of infants, toddlers and preschool children. This forum is an opportunity for providers to come together and learn about each other's work in supporting positive outcomes for these very young children and families.

Agenda Includes: Follow up on Fall Forum discussion on the Importance of Sleep; Preventing the Occurrence of Lead Poisoning for Children and Families; Getting Parents Hooked on Nutrition
