**Call MaineCare Member Services for help finding other dentists that accept MaineCare 1-800-977-6740 or Call 211 for referral help or go online at [www.211maine.org](http://www.211maine.org)**

- The Maine Dental Association has a “find a dentist” search on its web site at <http://www.medental.org/public/index.cfm>
- There are 69 dentists listed within 25 miles of Augusta, but it’s impossible to know who is accepting patients or who accepts MaineCare without calling each one.
- There is also a handbook on Dental Services and Clinics for Maine Residents from the Oral Health Program at <http://www.maine.gov/dhhs/bohdcfh/odh/documents/DirectoryMay09.pdf>
