You are invited:

Thursday, April 30th 8 a.m. to 12:30 p.m.

Cohen Community Center, Town Farm Road, Hallowell, Me

Southern Kennebec Healthy Start is a group of organizations/individuals who have been working together for over a decade to improve the social emotional health of infants, toddlers and preschool children. This forum is an opportunity for providers to come together and learn about each other's work in supporting positive outcomes for these very young children and families.

Bring your whole team for staff professional development hours; a certificate will be provided.

Sorry, we will not be serving lunch
